

200

lives were lost on Australian roads over the Christmas period in 2021 from December to January

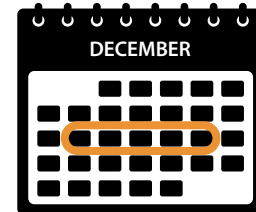

- 87 drivers
- 52 motorcyclists
- 29 passengers
- 23 pedestrians
- 8 cyclists
- 1 other road user

61% of fatalities occurred during the day

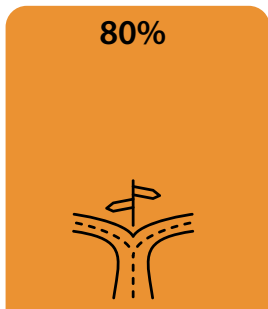

Almost **4 in 5** deaths were male

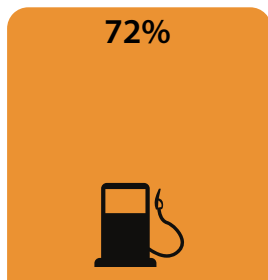

66.5% of fatalities occurred on a weekday

Australian drivers show a lack of resilience and unpreparedness while road tripping:

Haven't planned an alternative route for possible road closures

Don't have fuel stops planned out

Don't check the weather forecast ahead of the trip

More than **3 in 10** drivers admit to driving fatigued

More than **6 in 10** drivers admit to being distracted on the road
