

Rural Road Safety Month

September 2024

I promise to choose road safety, take responsibility for myself and others, obey the road rules and be a safe road user. I will always...

Be fit to drive
Drive to suit the conditions
Stay focused & take regular breaks

Avoid distracting the driver
Be a 'second pair of eyes' on the road
Only travel with someone who's fit to drive

Be visible
Wear protective clothing & helmet
Avoid distractions

Be visible
Stay alert & aware of road users around me
Avoid being distracted by devices

Which piece of the puzzle are you?

What's your road safety promise?
