Tasmania

Who can make a claim?

- If you have been injured in and/or received medical treatment due to a motor crash as per below -
  - as a Tasmanian Resident in Tasmania
  - as a Tasmanian Resident outside Tasmania (within Australia)
  - as a non-Tasmanian Resident injured in Tasmania

Details you need to make your claim

- Your details – name, contact and bank information.
- Details of the crash –
  - Date, time, location, circumstances and vehicles involved.
  - Details of injuries sustained.
  - Details of any previous personal injury claims or pre-existing medical conditions.
  - Details of police attendance or date reported to police.
- Employment details if you have had time off work due to the crash.
- Any documents you want to attach to your claim, e.g. medical invoices, medical certificates.

How to make a claim

There are three ways to make a claim.

1. Lodge a claim online - maib.tas.gov.au
2. Download forms and return by email, post or in person.
   - **Driver or Owner →** *NOTICE OF ACCIDENT* form.
   - **Other injured person →** *APPLICATION FOR BENEFITS* form.
3. Request that a physical copy of the forms be posted to you.

When to make your claim

- You will have 12 months to submit a claim.

What you can claim

- Treatment and travel.
- Work and income.
- Managing at home.
- Daily care.
- Compensation for personal injury.
